Encounter, Performed: Hospital Measures-Encounter Inpatient (Code List: 2.16.840.1.113883.3.666.5.625)  
**SNOMED-CT: 112689000**  
December 15th, 2008 21:56 - December 16th, 2008 17:21

In the Fields column  
**Admit Time:** December 15th, 2008 21:56

The SNOMED ONLY code for this entry is the Ordinality Code  
SNOMED-CT: 63161005  
It is included in several code lists.  
For Measures 0142, 0163, and 0164 that the Rebecca record tests where the Code List 2.16.840.1.113883.3.666.5.3011 is for this entry, the **Ordinality** code is in:

Code List  
2.16.840.1.113883.3.666.5.3010

2.16.840.1.113883.3.666.5.625

The Ricky test patient record revealed two codes where the only choice is SNOMED, the second being the Discharge Disposition code. The Rebecca Brady test patient record only has the first one of those.
